## Our Best Christmas Decorations **EVER!**

Christmas at the Taste of Texas is very special to us, and we are elated by the joy it brings to families and corporate customers. Nina and her decorating team have worked early mornings, nights, and weekends to deck our halls, and this year is the best ever! Thousands of twinkling lights, hundreds of feet of green garland, and towering nutcrackers fill the dining rooms with Christmas cheer. The main fireplace is the favorite spot for family photos, and its sparkling lights, snow village houses, wreaths, garland, and colorful décor provide a perfect backdrop for pictures. During your visit, do not miss the magnificent handmade Christmas quilts and commissioned needlepoint pieces - they are

among our favorite things. About 30 years ago we began our treasure hunt in the summer months in Colorado for unique antique skis, poles, skates and sleds to bring a taste of *winter days gone by* to our customers, and our team has recreated this festive and magical setting.

## MAKING MEMORIES IN PHOTOS

Capture the magic of Christmas in your family photo at Taste of Texas this year. Santa Claus will be seated at the fireplace on Monday and Tuesday nights (December 8th, 9th, 15th & 16th) from 5:30-7:30 PM. Bring your camera and your family and create a wonderful memorable moment with Santa pictures.

Our Wagon Barn is beautifully decorated and our antique sleighs make the perfect Christmas photo spot to complete your visit with friends and family.

Create your own favorite photo and share it with us! Send to [online@tasteoftexas.com](mailto:online@tasteoftexas.com).

## FAMILY NEWS

Lisa and Chris are staying busy raising Hannah (3 ½) and Elizabeth (1 ½). The girls are delightful and hilarious at these fun ages. Chris completed the Woodlands Iron Man in May and is enjoying his career at Shell and family time. Lisa remains active in the Taste of Texas and loves being a mom to her girls.

Kristin and Corbin graduated from the University of Virginia Darden and Law Schools in May and moved to Houston! They are thrilled to be "Gone to Texas."

David, Claudine and the four children have completely fallen in love with baby Conrad, who is 9 months old. He is constantly laughing and

being entertained by a sibling. They are so thankful for him. All the children are busy with school and sports! Reagan is playing soccer for the first time! The best part is Coach Biggee (Edd!). Hudson is playing fall baseball and loving it! Sam and Campbell are trying a new sport, lacrosse! They are also playing basketball!

Nina and Edd have enjoyed the extensive remodel of the Taste of Texas which Nina points out is SPECTACULAR! Edd's retirement from radio gives us a few more hours in the day to spend at work and enjoying the grandkids. The Taste of Texas continues to be a huge blessing to all of us – thank you for being such a great part of our lives.

## Wreaths Across America

Wreaths Across America is a nonprofit organization dedicated to honoring our military veterans for their service and sacrifice. The annual wreath laying ceremony at Arlington National Cemetery began in 1992 and is now performed across the country. These powerful ceremonies remember our fallen heroes, honor those who serve, and teach our children about the cost of our freedoms.

In 2007, a Houston father and son watched a video about the wreath laying ceremony at Arlington and volunteered to lay wreaths at the VA National Cemetery here in Houston. They placed their order for wreaths and called the cemetery to see when they could place them. They were told that, due to lack of funding, the Houston National Cemetery does not receive live wreaths for all burial sites. The son simply stated, "That's not fair... Let's go get some wreaths." This was the beginning of a city-wide goal to honor every veteran laid to rest at the Houston National Cemetery.

This year, Houstonians will honor fallen heroes by placing a wreath on all 60,000+ graves. The Taste of Texas is privileged to share in this fundraising effort, and we ask for your support. Please join us by purchasing a wreath or wreaths at the Taste of Texas Restaurant team page at [www.waahouston.com](http://www.waahouston.com). Each wreath is \$15.00, and any donation is welcome. Your donation will help to honor those who have served and provide a moving visual tribute for the families of those who gave their lives.

Our staff will be joining the Wreaths Across America Houston organization Saturday, December 13th for the wreath laying at Houston National Cemetery. The public is welcome.

## Sparkling New Christmas Décor

Nina has recently added unique treasures to make the Taste of Texas Christmas SPARKLE!

Last year, during a visit to the Greenbrier shops in West Virginia, she spotted a distinctive 5x7 framed Christmas tree made from beautiful vintage jewelry by artist Alan Anderson. She brought it home to Texas and was excited to add it to the restaurant's collection. After doing some research about the artist, Nina purchased another of his sparkling creations. This larger and even more spectacular jeweled Christmas tree will delight the eyes of our customers. It is displayed on the main hallway outside of the wine room. Artist Alan Anderson's professional background in design and business includes Barneys of NY, The Hotel Del Coronado in San Diego and several Art Galleries in California. His work is beautiful.

Our friend, Lori Bumbera, Seasons of Design, has again designed glittering jeweled Christmas trees for our gift store. All are original and make an exceptional and creative gift.

In the Sam Houston room, our 'one-of-a-kind' Santa collection delights young and old. Two new Santas from designer, Linda Jeanes, join our beautiful display of this most loved figure. Santa with the reindeer and globe prepare for their world-wide tour while Santa on the Train heads out for his Christmas deliveries on a rustic train loaded with toys and gifts. These exquisite pieces spark the imagination and the creative spirit of Christmas.

## Saddle Up at the Taste of Texas Bar

Saddle up, partners! The newly remodeled Sam Houston Room is riding high with our beautiful new "Saddle Barstools". This summer we were inspired at the Million Dollar Cowboy Bar in Jackson, WY when we visited this historic site. Since 1937 the Cowboy Bar has been known as Wyoming's landmark watering hole and is famous for its western cowboy motif including genuine saddle barstools. We immediately thought the Taste of Texas needed Saddle Barstools! So we turned to our friends at Charlotte's Saddlery and Circle Y Saddles in Yoakum, TX. The saddles are top quality – hand made and permanently mounted at the bar in the Sam Houston Room. Bring your camera – these saddle barstools are gorgeous!

## Tribute to Casey Allen Owens

Cpl. Casey Allen Owens USMC Retired has been a part of our family for 33 years. The Owens family were treasured neighbors in Bear Creek for many years.
